**SADO-DOMESTICS** is the singing-songwriting partnership of multi-instrumentalists **Chris Gleason** (Noise Floor Delirium, Los Goutos) and **Lucy Martinez** (Lucy and the Dreamers).

*Beach Day in Black and White* is the third Sado-Domestics album from Gleason-Martinez, following *Hey, Oaxaca* (2020) and *Two-Egg Scrambler* (2013). The duo has also collaborated on two albums from side-project Noise Floor Delirium: *Still Around* (2017) and *Life Street Closed* (2022).

The new album features ten Gleason/Martinez originals and one Jimmy Ryan composition, with appearances by Alt-Country pioneer **Jimmy Ryan** (Blood Oranges, Wooden Leg, Hayride) on mandolin/vocals and **Eric Royer** (The Sacred Shakers, Royer's One Man Band, Royer Family Band, The Resophonics) on pedal steel.
